Important Questions	Answers	Why This Matters:
What is the overall deductible ?	\$0.	See the Common Medical Events chart below for your costs for services this plan covers.
Are there services covered before you meet your deductible ?	No.	You will have to meet the deductible before the plan pays for any services.
Are there other deductibles for specific services?	No.	You don't have to meet deductibles for specific services.
What is the out-of-pocket limit for this plan ?	Yes. Medical: Individual \$1,500 / Family \$3,000. Pharmacy: Individual \$6,400 / Family \$12,800/ Mail order \$1,000.	The out-of-pocket limit is the most you could pay in a year for covered services. If you have family members in this plan , the overall family out-of-pocket limit must be met. OptumRx serves as CalPERS' pharmacy benefit manager.
What is not included in the out-of-pocket limit ?	Premiums , copayments for supplemental benefits, and health care this plan doesn't cover.	Even though you pay these expenses, they don't count toward the out-of-pocket limit .
Will you pay less if you use a network provider ?	Yes. For a list of preferred providers, see www.healthnet.com/calpers or call 1-888-926-4921.	This plan uses a provider network . You will pay less if you use a provider in the plan's network . You will pay the most if you use an out-of-network provider , and you might receive a bill from a provider for the difference between the provider's charge and what your plan pays (balance billing). Be aware, your network provider might use an out-of-network provider for some services (such as lab work). Check with your provider before you get services.
Do you need a referral to see a specialist ?	Yes. Requires written prior authorization.	This plan will pay some or all of the costs to see a specialist for covered services but only if you have a referral before you see the specialist .

All [copayment](#) and [coinsurance](#) costs shown in this chart are after your [deductible](#) has been met, if a [deductible](#) applies.
